friendlyway impress 40/46/52®

An Impressive Giant

The largest member of the friendlyway impress family wows customers and business partners alike with its gigantic 40-inch, 46-inch, or even 52-inch upright display. On this elegant multi-media billboard, your messages are displayed sharply and concisely.
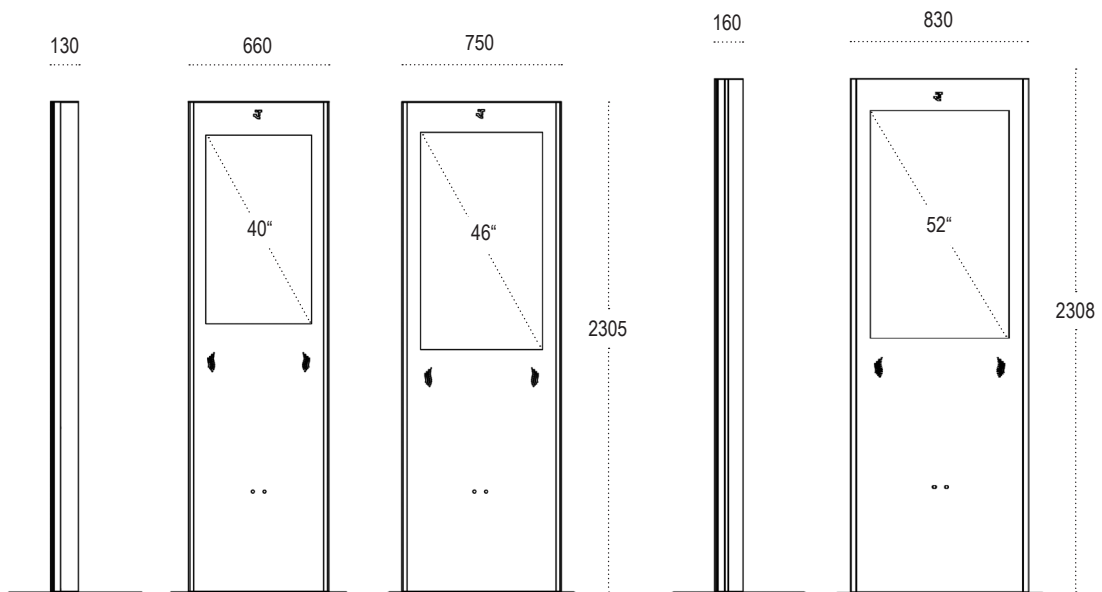

The displays of the friendlyway impress terminals are designed for maximum contrast and luminance, and they have a superb visibility range. Thanks to the built-in proximity sensor, visitors can be enticed with topical information as soon as they are in the unit's vicinity.

Like the smaller versions, the friendlyway impress 40/46/52 features a sophisticated anodized aluminum surface and an elegant shell design. The terminal is constructed for optimal mounting stability in virtually any location.

Like most of the friendlyway products, the friendlyway impress 40/46/52 has high-performance computer technology at its core.
